

The Four Pillars

ETA VISION 2030

Building New Industry Partnerships

- ❑ Broker and build partnerships with business and training providers and workers—including new entrants and youth, to ensure all training leads to good jobs across sectors (e.g., education, infrastructure, supply chain, manufacturing).

Open Opportunities for Vulnerable Workers and Communities

- ❑ Ensure our programs focus on workers and communities who have been left behind—from reentry, to rural, to opportunity youth.

Action Today for the Future of Work

- ❑ Engage federal, state, and local leaders and the private sector now to prepare, support, and invest in workers and communities to prepare for jobs of the future and emerging industries.

Building a Better Care Economy

- Support good jobs and protections for care workers—from nursing, early care, mental health, and more—with a focus on low-wage, BIPOC, young adult, and women workers.
